ISSUE 935 28<sup>th</sup> June 2024

Good afternoon and welcome to this week's Bullet!

We have had another lovely week in school - it was a real pleasure to see all of our new Reception children and their families on Wednesday for their first transition day. There was lots of excitement and I must say a huge thank you to Mrs Worthington's Year 1 pupils who suddenly seem very grown up. They were helpful, sensible, and friendly, as were Elliott, Oliver, Ollie and Ruaridh who helped me to entertain the little ones whilst their parents were in a meeting. These days really capture the essence of our lovely 'family' ethos. Our Year 6s who attended transition visits this week also made the most of their time at secondary school, and whilst there will still be nerves in September, I am sure they will all feel a little more prepared for such a big change.

Over the next couple of weeks we will be handing over information about your child from one teacher to the next. We build up a wealth of information over the year about the subtleties of each pupil and what helps them to learn best. Please feel free to talk to any members of staff about any concerns or questions that you may have regarding transition - our aim is to make it as seamless and calm as possible!

I hope that you all have a lovely weekend,

Mrs Sarah Milne  
Headteacher

## TIVERTON HIGH SCHOOL BREAKFAST CLUB

From Monday 1<sup>st</sup> July until the end of September 2024 THS have got a spot in the Tesco Stronger Starts scheme in Tesco Tiverton Superstore, Blundells Way and Tesco Express in Moorhayes. This is to support their Breakfast Club in school which runs every morning in the Support Centre to give their more vulnerable students a softer start to the day with breakfast provided.

Shoppers can pick up a token when they shop and pop it into the Tiverton High School Breakfast Club slot to support this. Thank you.

## MOVIE NEWS!

Zac and his older sister Eva entered an open casting call looking for a brother-sister pair for a major movie. Over the next six weeks, they went to London five times for more and more auditions - some of which were really really stressful, especially when one of them had to pretend to die and the other had to wail and cry in despair! Out of more than 1000 kids, Zac and Eva made it all the way to the final audition, which was between them and another pair. The final was a screen test with a very famous actor playing "their" Dad at the same movie studios where Star Wars and Indiana Jones was filmed!

Winning the lead roles would have been completely life changing - in both good and bad ways. In the end, the roles went to the other two, but Eva and Zac have been cast in small supporting roles. They will be filming their scenes in August and the movie will come out next year sometime - hopefully it will be a PG but it may be a 12. Sorry we can't say what the movie is yet, but watch this space!
